Douglas Ort, M. Div., LMHC
Community Services Board Chair

Lewis County Community Services
Press Release

Lewis County Community Services needs your help in completing its annual Local Service Plan.

One of the primary responsibilities of the Lewis County Community Services is to develop and annually submit a Local Service Plan to each NYS mental hygiene agency. The Mental Hygiene Agencies are the Office of Alcoholism and Substance Abuse Services (OASAS), the Office of Mental Health (OMH) and the Office for People with Developmental Disabilities (OPWDD).

The local service plan establishes the local priorities, needs and outcomes for the Lewis County Community Services in the coming year and the benchmarks used to measure the outcome. The local plans are approved the by Lewis County Community Services Board, which is comprised of local service providers, consumers and other community members, and are subsequently submitted, approved and “certified” by the state agencies.

This year Lewis County Community Services is asking **Lewis County Residents** to take part in completing this anonymous online survey. The information gathered will help guide the content of the 2020 Local Service Plan.

The survey will be open from Wednesday, May 08, 2019 to Tuesday, May 14th
